Beyond NEET - Promoting Youth Social Inclusion Through Volunteering		
LEAD PARTNER: UMP		
ISSUES DISCUSSED		
<p>We have taken in consideration the previews day discussions, ideas and testimonials from the personas we've meet in the 14th for the project and is future developments.</p> <p>We made a question-by-question analysis in both Youngs and CSO Questionnaires and came up with the differences and similarities. Also discussed common sense ideas and feelings</p>		

The consortium analyzed other ideas for projects that will meet needs of both Portuguese and Irish communities.

DECISION TAKEN

Decided that analysis made will be presented by Geraldine Delaney until the 3rd March by email
The Training to CSO will have a common structure and that Volunteer Plans will have a check list in order to for similar groups. Volunteer plans should be adapted to the needs and to the results from internal reports. All partner and participants of the meeting and visits day will be participating in the Final Seminar in Ireland and are committed to the next step of the project in order to take most advantage for the problematic Needs group and will work for the replication of the project trough Ireland and Portugal.
Digital skills and mental health of Youths was identified as problematics to act in future projects. Also th development of Beyond Neet is needed to scaleup results achieved so far.
